

SENIOR ARCHITECTURAL TECHNICIAN

Design International is an award winning architectural practice operating on a global scale, and specialising in large retail, commercial and mixed-use projects.

We are looking for a number of experienced Senior Architectural Technicians with extensive construction and detailing knowledge to join our growing team in London. In this position, you will support the team by offering your technical knowledge and experience from the inception stage right through to the completion of a project. In summary, you will:

- Work closely with the Architects and other building or design professionals to provide architectural solutions on construction projects
- Produce and manage high quality architectural drawing packages using AutoCAD
- Lead the detailed design process and coordinate design information with the relevant persons (i.e. architects, client, consultants)
- Liaise with appropriate authorities when producing documentation for statutory approval
- Produce, analyse and advise on detailed specifications for suitable materials or processes to be used
- Carry out design risk assessments

Skills required:

- Excellent written and spoken English, additional languages of advantage
- Have considerable knowledge and experience using Autodesk AutoCAD, Microsoft Office and Photoshop; experience with the Revit program will be of advantage
- Excellent interpersonal skills; confident communicating to all levels of the organisation
- Have a minimum of 5 years professional experience as an Architectural Technician or similar position
- Experience in large scale projects is essential, particularly retail, commercial and mixed-use projects
- Excellent knowledge of UK building regulations, but also as principle how to apply this internationally
- A member of the Chartered Institute of Architectural Technologists (CIAT) will be of advantage
- Excellent attention to detail

Salary: £30,000 - £36,000 per annum (dependent on level of experience and expertise), plus an annual discretionary bonus

Start: Immediately

Additional Notes: please submit a copy of your cover letter, CV and portfolio to the following email address: careers@designinternational.com. No agencies please.
